

CZECH-GERMAN SCIENTIFIC CONFERENCE ON NANOTECHNOLOGIES AND ADVANCED MATERIALS

16–17/05/2019

Brno, Czech Republic

Registration [HERE](#)

Registration deadline 10/04/2019

The Ministry of Education, Youth and Sports of the Czech Republic (MEYS) and the Federal Ministry of Education and Research of Germany (BMBF) are honoured to invite you to the Czech-German Scientific Conference on Nanotechnologies and Advanced Materials, to be held in Brno, the birthplace of electron microscopy and emerging science and technology hub in Europe.

PROGRAMME INCLUDES

- Platform for strategy debates on research, technology development and innovation in the fields of nanotechnologies and advanced materials.
- An overview of the latest developments in research and innovation policy in the Czech Republic and Germany.
- Four parallel scientific panel sessions – focused on the topics
Advanced Nanotechnologies
Lightweight Functional Engineering Materials
Digitization towards Mobility 4.0 and Industry 4.0
Research Infrastructures for Nanotechnologies and Advanced Materials
- Optional on-site visits, arranged to some of the top-class nanotechnology and advanced materials development facilities located in the city of Brno.
- Gala-dinner, to be hosted in the premises of the Brno Observatory and Planetarium.
