

INVITATION

4th National Day Large Research Infrastructures

Charles University, Faculty of Mathematics and Physics
19th November 2019, Prague

The Ministry of Education, Youth and Sports of the Czech Republic and the Faculty of Mathematics and Physics of Charles University are honoured to invite you to take part in the **4th National Day of Large Research Infrastructures, to be held on 19th November 2019** in the premises of **LINDAT/CLARIAH-CZ** large research infrastructure. This year's conference programme will include in particular:

- **Presentation of the 2019 update of Roadmap of Large Research Infrastructures of the Czech Republic for the years 2016–2022**, with an outlook for the agenda development until 2030;
- **Clustering of European research infrastructures** as an instrument of finding joint solutions to common challenges by capitalising on synergies and developing joint strategy approaches;
- **High-level strategy debate of Ministerial representatives on benefits that the large research infrastructures bring to meet the socioeconomic challenges** of the Czech Republic;
- **Merging the large research infrastructures of the Czech Republic into multi-node consortia** in view of the capacity building and extending portfolio of services offered to user community.

The conference programme will be accompanied by an **optional tour to the Malach Centre for Visual History**. During the **poster session** individual large research infrastructures of the Czech Republic will be presented to the conference audience.

Participation in the conference will be **free of charge**. Detailed conference **programme** and info about the **logistics** and **registration** are available on the official conference **website**.
