

## CONSENSUS REPORT OF SCIENTIFIC PANEL OF THE INTERNATIONAL ASSESSMENT COMMITTEE

<b>Acronym of IO</b>	
<b>Full name of IO</b>	

### 1. GOVERNANCE OF THE MEMBERSHIP IN INTERNATIONAL R&D ORGANISATION

- a) Organisation of governance and management of the Czech membership in the IO**  
(min. 1 500 characters with spacing)
- b) Strategy for dissemination of information on the opportunities provided by the IO**  
(min. 1 500 characters with spacing)
- c) Key R&D, education and innovation activities participated by the Czech user community**  
(min. 1 500 characters with spacing)

<b>Grade:</b>	<b>5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low / 0 – Insufficient</b>
---------------	--

### 2. BENEFITS OF THE MEMBERSHIP IN INTERNATIONAL R&D ORGANISATION “SCIENCE AND RESEARCH”

- a) Share on the IO’s experimental capacity assigned to the Czech user community**  
(min. 1 500 characters with spacing)
- b) Use of data sets and collections produced by the IO by the Czech user community**  
(min. 1 500 characters with spacing)
- c) Scientific results based on the IO’s activities with participation of the Czech user community**  
(min. 1 500 characters with spacing)
- d) Level of interest and engagement of the Czech user community in the IO’s future activities**  
(min. 1 500 characters with spacing)

<b>Grade:</b>	<b>5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low / 0 – Insufficient</b>
---------------	--

**3. BENEFITS OF THE MEMBERSHIP IN INTERNATIONAL R&D ORGANISATION  
“TECHNOLOGY DEVELOPMENT, INNOVATION AND INDUSTRY”**

- a) **IO’s technology development participated by the Czech scientific and industrial community**  
(min. 1 500 characters with spacing)
- b) **Contracts assigned to the Czech industry, i.e. supplies and services by the Czech enterprises**  
(min. 1 500 characters with spacing)
- c) **Knowledge and technology transfer initiatives with participation of the Czech community**  
(min. 1 500 characters with spacing)

**Grade:** 5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low / 0 – Insufficient

**4. BENEFITS OF THE MEMBERSHIP IN INTERNATIONAL R&D ORGANISATION  
“EDUCATION, TRAINING AND HUMAN RESOURCES DEVELOPMENT”**

- a) **Number and share on a total of employees of the IO coming from the Czech Republic**  
(min. 1 500 characters with spacing)
- b) **Number and share on a total of the Czech scientists working on the IO’s R&D projects**  
(min. 1 500 characters with spacing)
- c) **Number and share on a total of the Czech students working on the IO’s R&D projects**  
(min. 1 500 characters with spacing)
- d) **Education and training activities of the IO participated by the Czech user community**  
(min. 1 500 characters with spacing)

**Grade:** 5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low / 0 – Insufficient

**5. PUBLIC RELATIONS, MARKETING AND MEDIA OUTREACH**

(min. 1 500 characters with spacing)

**Grade:** 5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low / 0 – Insufficient

**6. OTHER IMPORTANT BENEFITS OF THE CZECH MEMBERSHIP IN THE IO**

(no max. limit)

**Grade:** 5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low / 0 – Insufficient

## 7. OVERALL OUTCOMES AND RECOMMENDATIONS

a) Taking into consideration the information provided in the background documentation for the international peer-review assessment, do you find the potential of the IO fully exploited by the Czech Republic and Czech IO's user community?

(min. 3 000 characters with spacing)

b) What are the strengths, weaknesses, opportunities and threats of the Czech participation in the IO and of involvement of the Czech Republic in the IO's activities?

(min. 3 000 characters with spacing)

c) What do you recommend to improve and maximise the benefits deriving from membership of the Czech Republic in the IO?

(min. 3 000 characters with spacing)

Please reflect the overall evaluation results of the Czech membership in the IO in accordance with the overall evaluation scale described in the international peer-review assessment methodology.

Overall grade:	5 – Excellent / 4 – High / 3 – Good / 2 – Low / 1 – Very low / 0 – Insufficient
